

The University of New Mexico  
**Student Health & Counseling (SHAC)**  
**Fee Overview for UNM Students**

*Effective 10/01/08*

Student Health & Counseling (SHAC) is funded in part by student activity fees; therefore, fees charged at SHAC are lower than community rates. Below is a list of office visit charges for UNM students.

*Note: There are additional charges for lab, X-ray, pharmacy, immunizations, and medical procedures. The costs will depend on the procedures, tests, or prescriptions ordered by your practitioner. For information, call the SHAC Reception Area at 277-3136.*
