BBF Exposure in UNMH or UNM Clinic System

Monday-Friday 9:00 AM-5:00 PM

UNM Student Health & Counseling (SHAC)
Main Campus

Go to head of line. Inform staff of exposure. Request student needlestick packet. Provider sees student and performs Risk Assessment.

Low risk and/or student declines antiretroviral therapy. *SEE BOTTOM OF CHART.

High risk and/or student elects antiretroviral therapy.

If seen at Student Health & Counseling, student goes to Walgreens, 295 Central SE (Girard & Central), to pick up Rx, then returns immediately for rest of assessment.

If source HIV negative, stop antiretrovirals.

Note: Do not expect all source serologies to be available before 72 hr. Provider can obtain results from UNM Epidemiology at 272-9722 (phone) or 951-3000 (pager).

F/U labs for exposures to Hep C, Hep B, HIV per protocol.

If source HIV positive, continue antiretrovirals, lab f/u per protocol.

After Hours
Whenever UNM SHAC is closed. (See Hours.) Weekends, 24 hrs

Emergency Room, UNMH

Go to head of line. Inform staff of exposure. Request needle-stick packet. Provider sees student and performs Risk Assessment.

For high-risk exposure to known HIV patient, or other questions, provider should always call UNM ID ATTENDING VIA PALS line at UNM 272-2000, and call UNMH Epidemiology at 272-9722 (phone) or 951-3000 (pager).

High risk and/or student elects antiretroviral therapy. ER gives 3-day supply (after required pre-medication labs drawn).

Low risk and/or student declines antiretroviral therapy. *SEE BOTTOM OF CHART.

If Student Health & Counseling not open within 72 hours of exposure, follow-up at ER Fast Track (Urgent Care), have baseline labs drawn, follow-up on source serologies.

If Student Health & Counseling is open within 72 hours of exposure, complete assessment and paperwork, have baseline labs drawn, follow-up on source serologies.

Return to Student Health & Counseling within 72 hours to complete assessment and paperwork, have baseline labs drawn, follow-up on source serologies.

If source HIV negative, stop antiretrovirals.

If source HIV positive, continue antiretrovirals, lab f/u per protocol.

May be referred to Infectious Diseases Consult Clinic q Friday pm, Truman St Clinic.

Note: For exposures to outpatients, do not let patient leave the facility pending consent for lab draw.

* F/U labs are required on all students 6 months after exposure regardless of source status.

SHAC Hours subject to change; check web for updates. shac.unm.edu
