BBF Exposure in UNMH or UNM Clinic System

UNM Student Health & Counseling (SHAC) Main Campus

Monday-Thursday 8:00am-5:00pm
Friday, 9:00am-5:00pm

Note: For exposures to outpatients, do not let patient leave the facility pending consent for lab draw.

Emergency Room, UNMH

After Hours Whenever UNM SHAC is closed. (See Hours.) Weekends, 24 hrs

Go to head of line. Inform staff of exposure. Request needle-stick packet. Provider sees student and performs Risk Assessment.

If seen at Student Health & Counseling, student goes to Walgreens, 295 Central SE (Girard & Central), to pick up Rx, then returns immediately for rest of assessment.

Low risk and/or student declines antiretroviral therapy. *SEE BOTTOM OF CHART.

High risk and/or student elects antiretroviral therapy.

Return to Student Health & Counseling within 72 hours to complete assessment and paperwork, have baseline labs drawn, follow-up on source serologies.

If source HIV negative, stop antiretrovirals.

If source HIV positive, continue antiretrovirals, lab f/u per protocol.

May be referred to Infectious Diseases Consult Clinic q Friday pm, Truman St Clinic.

F/U labs for exposures to Hep C, Hep B, HIV per protocol.

NOTE: May consult with PALS-ID attending 272-2000 at any time.

F/U labs are required on all students 6 months after exposure regardless of source status.
