Send-Out Laboratory Services

During a visit to UNM SHAC, your doctor or nurse may order a blood test (blood work). Anytime we ask for blood work, we will make sure you understand what it's for and what to expect. Simple tests can be done at the doctor's office. For more complex tests, we will refer you to a lab that is convenient for you. UNM SHAC sends the majority of labs to TriCore. You can call TriCore Reference Laboratories if you have questions regarding a bill or if you need to know pricing of lab work. You can reach them at (505) 462-7492 or visit their website at Reference Laboratories Paying Your Bills - TriCore Reference Laboratories.

Please contact your insurance company to confirm that TriCore is an in-network laboratory for your

****Prices are set by the reference lab company and are subject to change at any time.****

*****The information provided is a UNM SHAC estimate and does not guarantee final billed charges. Final billed charges may vary from UNM SHAC estimates for many reasons, among them the patient's medical condition, unknown circumstances or complications, final diagnosis, and recommended treatment ordered by the physician. Professional fees, such as specialty physician, radiologist, laboratory, and pathologist fees, are not included in this estimate. Insurance benefit information (where applicable) is based on information provided by you and your insurance company as of the date of this estimate.*****
