After-Hours Healthcare Options

Info subject to change; call for clarification. Eff. 01/17/20

Emergencies: SHAC is not a provider of emergency medical care. A medical emergency is defined as “posing an immediate threat to life, limb, or body function.” In case of a medical or counseling emergency, call 9-1-1 or go directly to a local hospital emergency room.

SHAC Spring 2020 Hours (Eff. 01/17/20): SHAC is open Monday through Thursday, 8:00 am to 5:30 pm; and Friday, 9:00 am to 5:00 pm. Check SHAC web for current Pharmacy Hours. Note: SHAC Hours are subject to change. SHAC is closed on Saturdays and Sundays and all official UNM holidays. For info on SHAC services including current hours, log onto http://shac.unm.edu or call (505) 277-3136 during regular hours of operation.

If you have a medical problem that cannot wait until regular SHAC clinic hours, call 260-7070. (Or call SHAC at 277-3136; select option #2.) You will reach an answering service. The answering service will page a SHAC medical provider who is available for medical problems that can be addressed over the telephone.

If you have a counseling problem that cannot wait until regular SHAC clinic hours, call SHAC Counseling Services After-Hours On-Call Service (for UNM students only) at 277-3136; select option #3.

If you need to access medical care while SHAC is closed, a list of facilities is provided below. Please note: UNM Student Health & Counseling does not accept any financial liability for costs you might incur. You are responsible for any charges at these facilities.
