

## STUDENT HEALTH & COUNSELING

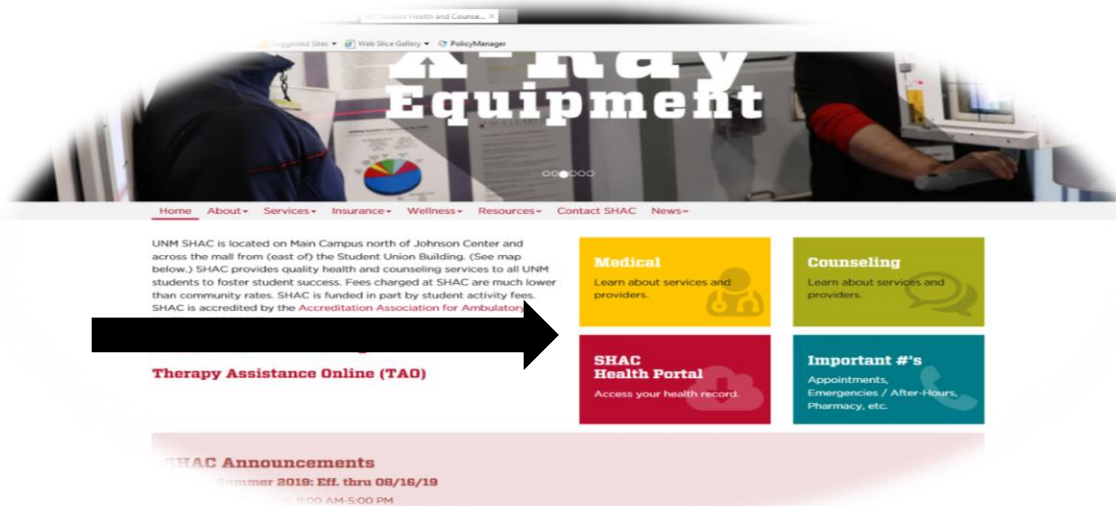

### Compliance Procedures During COVID-19 Pandemic

Everyone is still adjusting to changing dynamics during the COVID-19 pandemic. Student Health & Counseling (SHAC) is committed to helping students succeed and to be medically evaluated when necessary. This is also true for immunization compliance for clinical health programs. Nurses are still able to evaluate your records and assist you through telehealth encounters so that you are able to continue meeting program requirements.

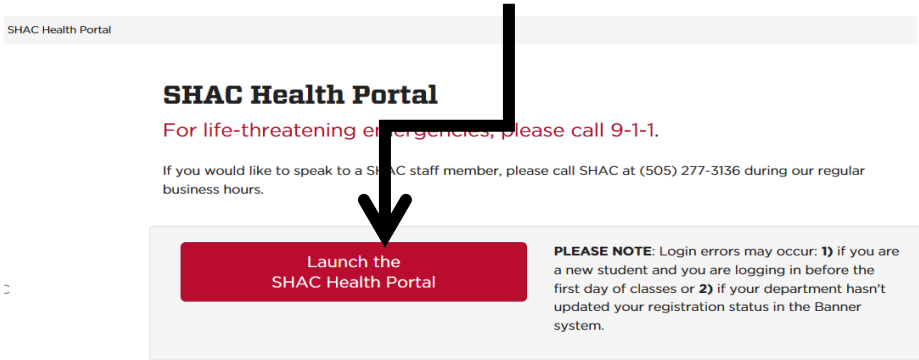

Please review and consider the information and visual prompts below.

To start the compliance process, please upload documents in the SHAC Health Portal. New students will need to have been provided a banner ID and have a UNM username and password before they have access to the Health Portal.

To log into the SHAC Health Portal, please go to our website and follow the prompts, <http://shac.unm.edu/>

1. **Launch** the SHAC Health Portal by clicking

2. Enter your username and password (the same username and password you use for myUNM)

THE UNIVERSITY OF NEW MEXICO.

In order to access the Target Service you are requesting, **UNM SHAC Hea**

UNM NetID: jane
