INSTRUCTIONS FOR REQUESTING PRESCRIPTION REFILLS ON YOUR MOBILE DEVICE

With the mobileRx app, you can use an iPhone or Android device to request refills anytime. Follow the steps below to get started.

**GET THE APP**

To get started, search for mobileRx Pharmacy in your app store or use your the camera on your mobile device and a QR code reader app to scan the appropriate QR code below. Then, follow the steps to set up your account and begin entering refills.

**HOME SCREEN**

The home screen displays options. Choose **Express Refills** to enter prescription numbers or **Scan a Prescription** to scan the barcode on your current prescription label.

**EXPRESSION REFILLS**

Express Prescription Refills allows you to enter up to three prescriptions at a time. Then, tap **Send**. To request more than three refills, repeat the process.

**SCAN PRESCRIPTION**

Use your device’s camera to scan the barcode on the label of your current prescription bottle. Then, tap **Submit Refill(s)**.

**FIND PHARMACY**

When the Select Pharmacy pop-up displays, tap Find Pharmacy, and enter the phone number (5052776306). Then, tap Search.

**SET UP PROFILE**

To set up your profile, tap My Rx Profile & Med Reminder on the home screen. Tap Sign Up. Fill out the registration form, answer the verification questions, and create a user name and password. Verify your name, birth date and phone number are current with what your pharmacy has on file. Then, tap Login.

**RX PROFILE**

This option displays your available refills. Check the box to the left of the name of the prescriptions you would like to refill. Then, tap Submit Refills.
