BBF Exposure in UNMH or UNM Clinic System

Monday-Thursday
8:00am-5:00pm
Friday, 9:00am-5:00pm

UNM Student Health & Counseling (SHAC)
Main Campus

Go to head of line.
Inform staff of exposure.
Request needle-stick packet.
Provider sees student and performs Risk Assessment.

Low risk and/or student declines antiretroviral therapy. *SEE BOTTOM OF CHART.

High risk and/or student elects antiretroviral therapy.

If seen at Student Health & Counseling, go to Walgreens, 295 Central SE (Girard & Central), to pick up Rx, then returns immediately for rest of assessment.

For high-risk exposure to known HIV patient, or other questions, provider should always call UNM ID ATTENDING VIA PALS line at UNM 272-2000, and call UNMH Epidemiology at 272-9722 (phone) or 951-3000 (pager).

Return to Student Health & Counseling within 72 hours to complete assessment and paperwork, have baseline labs drawn, follow-up on source serologies.

If source HIV negative, stop antiretrovirals.

If source HIV positive, continue antiretrovirals, lab f/u per protocol.

May be referred to Infectious Diseases Consult Clinic q Friday pm, Truman St Clinic.

F/U labs for exposures to Hep C, Hep B, HIV per protocol.

Emergency Room, UNMH

Go to head of line.
Inform staff of exposure.
Request needle-stick packet.
Provider sees student and performs Risk Assessment.

High risk and/or student elects antiretroviral therapy.

Low risk and/or student declines antiretroviral therapy.

If Student Health & Counseling not open within 72 hours of exposure, follow-up at ER Fast Track (Urgent Care), have baseline labs drawn, follow-up on source serologies.

If Student Health & Counseling not open within 72 hours of exposure, do not let patient leave the facility pending consent for lab draw.

After Hours
Whenever UNM SHAC is closed. (See Hours.) Weekends, 24 hrs

Note: For exposures to outpatients, do not let patient leave the facility pending consent for lab draw.

Note: Do not expect all source serologies to be available before 72 hr. Provider can obtain results from UNM Epidemiology at 272-9722 (phone) or 951-3000 (pager).

Note: For exposures to outpatients, do not let patient leave the facility pending consent for lab draw.

F/U labs for exposures to Hep C, Hep B, HIV per protocol.

NOTE: May consult with PALS-ID attending 272-2000 at any time.

* F/U labs are required on all students 6 months after exposure regardless of source status.
